

"The Lloyd's Register Educational Trust is very pleased to further its commitment to improving the quality and safety of the maritime industry worldwide by sponsoring this award."

Michael Franklin

Director, Lloyd's Register Educational Trust

"We believe it is essential to encourage, inspire and recognize the work of young men and women who have chosen naval architecture, marine or ocean engineering as their course of study."

Phil Kimball

Executive Director, SNAME

The Lloyd's Register Educational Trust Americas Maritime Technology STUDENT OF THE YEAR AWARD

Investing in the future of the maritime industry.

The Lloyd's Register Educational Trust and the Society of Naval Architects and Marine Engineers are sponsoring The Lloyd's Register Educational Trust Americas Maritime Technology Student of the Year Award. This award is designed to highlight excellence, while encouraging students to showcase their research and investigative studies on various topics in the areas of naval architecture and marine and ocean engineering and promote leadership in the industry.

WHO IS ELIGIBLE?

The competition is open to undergraduates at academic institutions throughout the US, Canada, South America and Latin America that offer programs in naval architecture, marine and ocean engineering. A cash award is given to the first and second place winners, who are selected by a judging panel of industry experts.

CASH PRIZES

1st prize	\$3500
2nd prize	\$1500

1st place Faculty Advisor award \$500
2nd place Faculty Advisor award \$250

The cash award is unrestricted. The winner may use it for any purpose he/she chooses.

HOW TO ENTER

- SNAME requires all participants to be student members of SNAME in good standing.
- Participants should develop a paper, based on the theme describing how their project benefits the maritime industry.
- Participants must submit papers in electronic format to the SNAME program facilitator.

THE COMPETITION

- 2009-2010 theme: "A green ship or green system for safe operation in the ice and cold environment."
- Declaration of interest: December 1, 2009.
- Deadline for submission of entries: March 31, 2010.
- Finalists invited to SNAME Headquarters in Jersey City, NJ to present to judges: June 2010
- Awards presented at the 2010 SNAME Annual Meeting in Seattle, WA at the President's Luncheon: November 2010.

2009 WINNERS

1st Place: Andrew Harville, Webb Institute
2nd Place: Jacob Ng, University of Michigan

Papers must be submitted in electronic format to Alana Anderson
